CaseWare Belgium & Luxembourg

ACCOUNTANCY

Integrated solution which centralizes, digitalizes and computerizes the accountancy practice

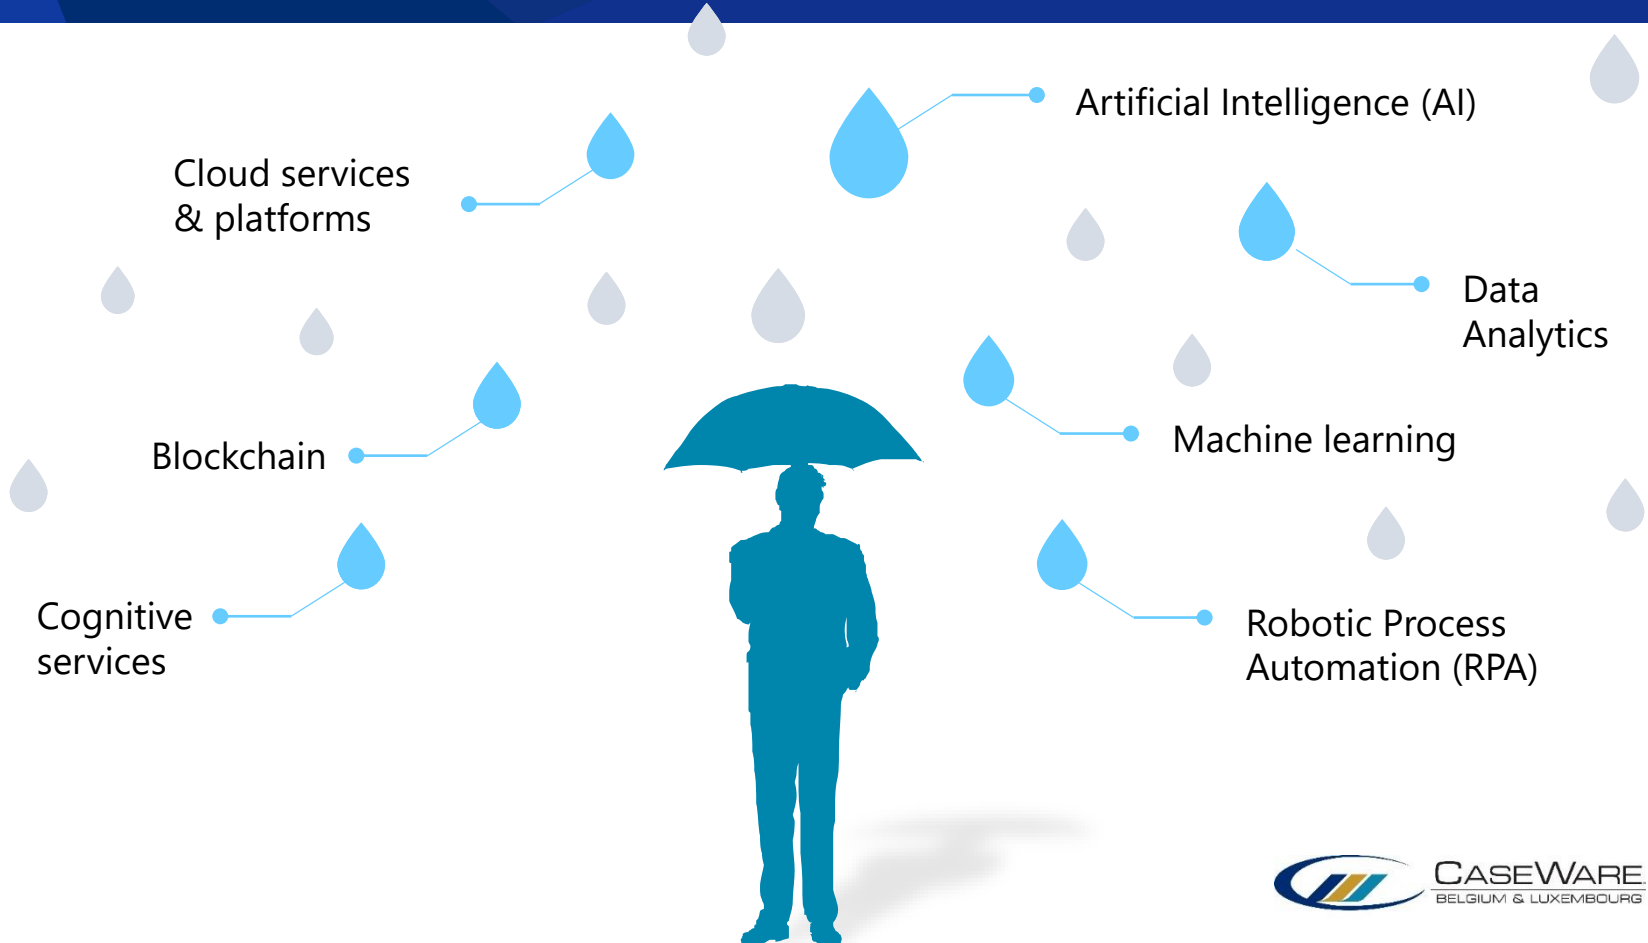

AUDIT

Integrated solution for auditors to complete audits efficiently and in line with ISA regulations

CORPORATE

Integrated solution for companies to manage financial processes proactively

It's raining Technology

Technology is changing the world
Digital = new Normal

Technology changes us

Technology changes clients

Technology changes how we 'interact'

Technology changes how we 'work'

• 'work' =

- het transactionele werk (boekhouding)
- het afsluit werk (jaarrekening, verslaggeving, ...)
- het advies werk

Exact – No hands accounting

CaseWare Smart Compilation – No hands compliance

Smart Compilation

Integraties

- Exact
- Yuki
- Octopus

Werk slim

- Intelligente checklists
- Automatische dossieropbouw

Automatiseer 'het werk'

- Jaarrekening NBB
- Notulen, WCO
- Werkpapieren
- Rapportering

Werk samen

- Collega's
- Cliënten
- Banken, ...

Real-time inzicht

- Dashboards
- Workflow

Smart Compilation

- Vennootschappen
- Éénmanszaken
- Vzw
