**Target C**  
Good Validity,  
Good Reliability

*“We don't ask you to believe in our ability to bring change, rather, we ask you to believe in yours.”*

## **Barack Obama**

*“There is a huge difference between wanting to change & being willing to change. Almost everyone wants to change for the better. Very few are willing to take the steps necessary to create that change.”*

## **John T. Child**
